The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is GRANTED to the extent that the claim of appeal is treated as an application for leave to appeal and it is GRANTED. Appellant's brief shall be filed within 28 days of this order. It appears that the trial court failed to take the steps required by MCR 3.977(I). That also occurred in docket number 262623. In the future the trial court shall insure that the advice of rights form sets forth the 14 day period for requesting appellate counsel and the trial court shall insure that it is filing the claim of appeal if the request is made within the 14 days. See MCR 3.977(I)(2).
